Winners Announced for Spring 2025 Digital Health Awards®

LIBERTYVILLE, IL – The Health Information Resource CenterSM announced the winners in the Spring 2025 **Digital Health Awards®** which honors the world's best digital health resources. The competition featured 65 categories in the following entry classifications: Web-based Digital Health; Mobile Digital Health Resources; Personal Digital Health Devices / Wearables; Digital Health Media / Publications; Digital Health – Social Media; and Connected Digital Health. A panel of 68 experts in digital health media served as judges and selected gold, silver, bronze, and merit winners from more than 600 entries.

Spring 2025 Gold Award winners included *UMR* (Article); *Temple University Health System* (Blog Post); *Sharecare* (Mobile Application); *American Kidney Fund* (Microsite); *AARP* (Website); *MD Anderson Cancer Center* (Video); *American Medical Association* (Medical Education); *WebMD* (Interactive Content / Rich Media); and *American Tinnitus Association* (Magazine). A complete list of winners and entry categories can be found at digitalhealthawards.com.

About the New Digital Health Association

The Digital Health Association, now home to the Digital Health Awards, is a new membership organization for professionals and organizations that work in all digital health fields. The association is part of the Health Information Resource CenterSM, a 33-year-old national clearinghouse for professionals who work in consumer health markets. The HIRC also organizes the 32-year-old National Health Information Awards (healthawards.com), the largest consumer health awards program of its kind. For more information about the new Digital Health Association, please contact Patricia Henze, executive director: phenze@healthawards.com • 800-828-8225.
